A NOTE FROM THE LIBRARIAN

Thank you to all the parents, grandparents, teachers, and students who purchased Valentine Grams. Our profit was \$975.00. The money will be used to purchase new books that the students request and also new books that are coming out.

I would like to thank Angela Nunez, Debbie Tweet, Gina Padilla, Skye Hernandez, Jennifer Warren, and Paulie Sosebee for volunteering to sell the Valentines during lunch. A special thanks to Christy Koelzer, Christina Krabill and Cailen Oest for selling valentines at lunch, attaching candy to the candy grams and delivering the bags to the teachers. This would not be such a successful fundraiser for the library without the dedicated volunteers. Thank you for volunteering, you are a blessing to our school.
