RETAKE / MAKE-UP PICTURES and SPORTS PICTURES

Friday, November 11, 2011 will be retake / make-up picture day. If your child was not present for pictures in September or if you wish to have retakes, they have a chance to have their yearbook picture taken on this date. If you are having retakes, please send your pictures back with your child on or before Friday, November 11. Glamourcraft must have these returned in order to do retakes. For those who missed the September picture date, I have sent home a picture order form. If you wish to order pictures please return the envelope on or before November 11th.

Fall sports pictures will also be taken for those playing soccer, volleyball, basketball and cheerleading. Mrs. Holley has sent home the order forms with the players.

KRISPY KREME DOUGHNUTS

On Tuesday, November 15th the seventh graders will have a *Krispy Kreme* Doughnut Sale. The money raised from this project is used to put together care packages for college freshmen from the SJS Class of 2007; these young adults were the seventh grade buddies of our current seventh graders. You will be receiving an email with an order form in the next few days. Stop by the gym and have a doughnut and juice for \$1.00. If you drop off students before going to work, please consider ordering a dozen of doughnuts to go for \$5.00!

SJS STUDENT RAFFLE

Thank you for the donations and help during the student raffle. We were able to offer many items and the students had a great time during the Auction Pep Rally.
