## **NOTE FROM THE NURSE'S OFFICE**

**If your child has any medication in the Nurse's Office please make sure that you pick it up on the last day of school.** (*The parent has to be the one to pick it up; we are not allowed to send it with the student*).

All medicine remaining after the last day will be discarded, per diocesan policy.

If your child will be needing to take any of the "**allowable medications**" per diocesan policy, during school hours *next* school year, we will need another medication form filled out and signed for the 2010/2011 school year.

## **IMMUNIZATIONS:**

A letter was mailed home to parents whose children will need immunizations before school starts in August. If your child is due for any immunizations over the summer, please bring their updated shot record to the nurse's office *before* the first day of school. If they are out of compliance with their immunizations they will not be able to start school. Please call Barbara Timmermann, RN, if you have any questions.
