I am happy to announce that Mrs. Geraldine Syler has been selected to be the permanent principal of St. John the Apostle School. I have been in contact with Mr. Don Miller, Diocesan Superintendent of Schools, and he enthusiastically supports this decision.

Mrs. Syler has done excellent work during her time as interim principal, and I am looking forward to working with her in future years. I am confident that under her leadership St. John the Apostle School will experience growth and stability in future years.

Yours in Christ,

The Reverend Karl Schilken

Pastor
