Dear Parents:

St. John the Apostle parish continues to take pride in and support the work of its School. One of the ways that we support the School is through an annual subsidy that financially assists students who want to receive a Catholic education. The School also offers a parish discount to the members of the parish. To qualify for this discount, parishioners are asked to make a stewardship commitment of their time, talent and treasure. We do not have any set amount but encourage parishioners to make the Scriptural goal of 10% a part of their budget. (The Diocese suggests that 5% go to the parish, 1% to the Diocese and 4% to other charities.) While many may not be able to reach that goal, it is important for people to reflect on their giving and consider the call of the Gospel. Your parish support should minimally offset the amount of the tuition discount.

I re-affirm my support for St. John the Apostle School and pledge to continue to work for its good. May God bless it in the coming year.

Sincerely yours,

Rev. Karl Schilken  
Pastor
