

Annual Back to School Campus Cleanup

We need several families to help prepare the SJS campus for the new school year! This is a great way to earn ESP hours early in the school year and help SJS get ready for school to begin.

Who: Participation is **mandatory for Adopt-a-Spot** families, but **open to ALL families** who would like to earn ESP hours and beautify our campus before the first day of school.

When: Saturday, August 8th and Saturday, August 15th
8:00 a.m. until we are finished!

What to bring: Rakes, booms, trowels for planting, gardening gloves, edgers, weed wackers, hedge trimmers, etc. (Plants and mulch will be provided)

If you would like to help, but can't be there all day, we would be happy to have your help for as much time as you have on these days. Don't worry if you don't think you have a green thumb, there will be others there to help you. We just need YOU to help get our campus ready for school to start!

Please contact one of the following to sign up to help with one or both of the Campus Cleanup days:
